I have lived on Kauai for almost 20 years and own my home. I am a retired physician having practiced 40 years as a Family practitioner. I have been married 55 years to Esther, have 4 children and 9 Grand children.

In 1992 founded and served as chairman of "Save Ha"upu Ridge" a community organization opposing the radio tower on sacred Hawaiian land. I was co-founder and president of SPARK, Southshore Property Owners and Residents of Kauai, a community based activist organization. A long time member of Poipu Beach Rotary with involvement in granting scholarships for students of Kauai as well as support for food bank at Nana's House in Waimea.

Currently serving on the Board of Directors of Malama Maha'ulepu, a community organization dedicated to the preservation of the south shore's natural beauty. Past President of the Garden Island Orchid Society with participation in Kauai Agricultural Awareness events.

Co-founder of Ohana Kauai and sponsor of Ohana Kauai Tax Initiative which was successfully passed by the voters of Kauai. This measure ultimately led to the reduction of property taxes on Kauai. I am currently intervening on behalf of the people of Kauai in the Supreme Court of Hawaii to validate this measure. In spite of the overwhelming vote in support of this measure and the prior approval of the County Attorney, the County Council is opposing this measure in the Supreme Court and spending your money to do so.
Vote for Monroe Richman.
